Students can take

- ½ day class only
- ½ day class + lunch & social hour
- ½ day AM class and a different ½ day PM class (includes lunch & social hour)

<p>8:30-11:00 AM (can add lunch & social hour for additional cost)</p>	<p>Driver's Ed</p>	<p>19 Days</p>	<p>June 5th – July 12th</p>	<p>SafeWay Driving has partnered with The Monarch School & Institute to provide a comprehensive and convenient State Certified Driver Education Program. The SafeWay Driving curriculum, coupled with the Monarch School's facility and support, allows students of all learning styles to take the first step towards greater independence and earn their Driver License.</p> <p>The program consists of 2 Phases, located on the Monarch campus, during the Summer and Fall Semesters.</p> <ul style="list-style-type: none"> • Phase I : 32 Hour Online Course Learning Lab and In-Car Simulator • Phase II: In-Car Instruction with SafeWay Driving <p>The split level program ensures safe content mastery at a pace and schedule compatible with all students.</p>
<p>8:30-11:00 AM (can add lunch & social hour for additional cost)</p>	<p>The Business of Art</p>	<p>19 Days</p>	<p>June 5th – July 12th</p>	<p>Learners will learn how their passion for art can become an employment opportunity. Learners will work with Art Educator, Ms. Paige, to explore various mediums of art. Learners will then work with business educator, Ms. Marie, to learn about the art business, marketing, and contracting. The culmination of this five week course will result in an Art show that will give learners the opportunity to sell their art work if they choose.</p>
<p>8:30-11:00 AM only (can add lunch & social hour for additional cost)</p>	<p>The Living Building Challenge Project</p>	<p>19 Days</p>	<p>June 5th – July 12th</p>	<p>The Living Building Challenge is a green building certification program and sustainable design framework. Living Buildings produce more energy than they use, collect and treat all water on site, give more than they take, and create a positive impact on the human and natural systems that interact with them. Monarch has an LBC facility that we are preparing to produce solar, wind and water energy. We are offering students the opportunity to participate in the preparation of our facility for certification. This includes opportunities to build and/or improve garden beds, make outdoor repairs, create art, create educational materials, and/or work with animal assisted activities while working on progress in Monarch's Four core Goals.</p>
<p>11:00-12:30</p>	<p>Lunch + Social Hour (included for Full Day programs, extra cost for Half Day programs)</p>		<p>June 5th – July 12th</p>	<p>Each week students can choose the sport of the week or community service event of the week to participate in during social hour. (Students to bring their own lunch)</p>
